**Review the Guidelines**, and confirm the shortage of credits compared to the criteria for earning degree.

- $\ensuremath{\text{1.}}$  Check the subjects which you have earned credits.
- 2. Fill in the total number of credits you earned in the total column.

O In principle Master of Systems Life Sciences is granted. Depending on the Faculty of your supervising professor, and earned 6 or more credits on ①, ② and ③ abo
you can select a <b>Master of Science</b> . (You must have a thorough discussion with the supervisor before your start to study.)

Requirement for Master of Science	1+2+3 =
